PLAN A – SUPERVISION BY BLUE CHIP EXPO

To save time and alleviate exhibitor supervision, PLAN A (Supervision by Blue Chip Expo) is provided so that exhibits may be installed prior to the exhibitor's arrival. All Pertinent information should be directed to us, including blueprints, photographs, shipping information and set-up instructions. Professionally trained personnel are used on installation, and where possible, all work is done on straight time. Charge for supervision is 30% of the total labor bill, with a \$45 minimum.

We will use this same service to dismantle and pack our exhibit

PLAN B – SUPERVISION BY EXHIBITOR PERSONNEL

Starting time can be guaranteed only in those instances where men are requested for the start of the working day, which is 8:00 A.M., unless official set-up time is set to begin later in the day. While every attempt will be made to provide men at a time requested subsequent to 8:00 A.M. (or official set-up time), such starting time must be approximate, since men are assigned to jobs at the start of the day and it is impossible to gauge the exact time of completion of the first job assignment. It is important that exhibitors check in at the service desk to pick up men ordered. Exhibitors must also check the men out at the service desk upon completion of the work. All work will be done under the qualified supervision of the exhibitor or his representative.
